

HESTAN®

SPRING 2024

Here at Hestan, we are on a constant pursuit of culinary innovation to bring you the best cookware that money can buy. We work meticulously with Michelin star chefs to engineer features that elevate the cooking experience in every way. It's no wonder we are the top cookware brand used and preferred by professional kitchens.

Each collection of Hestan cookware delivers revolutionary culinary performance with innovative design and remarkable materials to complement any cooking style with striking beauty and unmatched innovation, backed by 14 global patents; you can't fake quality. That's why every product is meticulously handcrafted in our own factories to meet the highest standards of fit and finish. Hestan cookware not only cooks beautifully — but will still look beautiful for years to come.

THE HESTAN ADVANTAGES

GREATER HEAT CONDUCTIVITY
NanoBond, ProBond, and Thomas Keller Insignia's ProCore™ aluminum heats 35% faster than typical clad cookware.

SEALED RIMS
NanoBond, ProBond and Thomas Keller Insignia's rims are sealed to prevent delamination and separation.

FLUSH RIVETS
Chef-inspired flush rivets prevent food build up, and allow for nesting for easy storage.

ERGONOMIC HANDLE
French-inspired ergonomic handle rests easily in the hand for greater comfort and total control.

SUPERIOR PAN GEOMETRY
Thoughtful design gives our skillets and saucepans 20% more cooking surface area than competitors.

FLARED RIMS
Flared rims allow for drip-free pouring.

OPTIMIZED FOR INDUCTION
A wider base creates a larger, sleeker surface to initiate better contact with induction cooktops.

DURABLE NONSTICK
Made without PFOA, reinforced with diamonds and titanium, our TITUM nonstick finish is 22x more durable than typical nonstick.

MADE IN ITALY
Backed by a lifetime warranty and built in our own factories to the highest standards of fit and finish.

AWARD WINNING COOKWARE

We are proud to be the most award-winning cookware brand with accolades from prestigious publications such as Good Housekeeping, Red Dot, Bon Appétit and more. We work painstakingly to ensure we only provide the highest quality cookware that money can buy.

- Handcrafted in Italy with a lifetime warranty

NANOBOND®

MOLECULAR TITANIUM

NanoBond, our flagship collection that holds 14 patents, is the first innovation to stainless steel cookware in 100 years. Its revolutionary cooking surface is 400% stronger than typical stainless steel cookware. Thousands of titanium nanolayers protect your cookware from stains and scratches — ensuring a lifetime of beauty. You'll find NanoBond's molecular titanium gleam in acclaimed kitchens across America. Its incredible durability coupled with incomparable heat conduction deliver reliable performance dish after dish.

COPPERBOND®

INDUCTION COPPER

CopperBond takes the pinnacle of culinary performance to an even higher level with a line of copper cookware that can withstand the rigors of chef usage without the maddening maintenance. A pure copper core protected by 5-layer construction delivers exceptional conductivity, while the wraparound stainless steel base also allows for phenomenal induction cooking — a first for copper cookware.

PROBOND®

PROFESSIONAL CLAD STAINLESS STEEL

Affordable luxury for the everyday chef, ProBond Professional Clad Stainless Steel marries the heavy-duty resilience of cold forged steel with the performance of stainless. Our cold forging process provides a thicker base for even heat distribution, thinner side walls for lighter weight and thicker rims for increased durability. It not only delivers the conduction and control to master new dishes, ProBond will look beautiful for years (and recipes) to come.

- Tri-ply clad construction with an aluminum core for optimal roasting
- Stainless steel roasters are oven and broiler safe up to 600°F, and our nonstick roasters are safe up to 500°F
- Ergonomic handles durably fitted for easy oven-to-stovetop cooking
- Flush rivets for easy cleaning
- Specially constructed design is engineered to be warp-resistant

PROVISIONS™ CLASSIC CLAD ROASTER

Combining exceptional craftsmanship and long-lasting performance, Hestan Provisions are the essential tools every well-stocked kitchen needs to create culinary perfection. Ideal for everyday cooking and holiday entertaining, our chef-inspired and purpose-built Classic Roasters are the perfect complement to any Hestan collection of cookware.

Durable, bonded three–ply construction features a conductive aluminum core for even heat distribution between layers of stainless steel for a safe, non-reactive cooking surface finished with ultra-durable, premium nonstick. The flush rivets provide easy cleanup and its beautiful, ergonomically designed handles allow you to move your roaster from oven, to stovetop to serving table. The stainless steel rack insert provides air circulation for even baking and roasting.

CULINARY INNOVATION BORN IN NAPA VALLEY

As a company, Hestan is built upon a shared love of food and innovation. From what you cook on to what you cook with — even the wine to complement the meal — Hestan delights in the details of cooking. We are proud to raise the bar for cookware with groundbreaking materials and thoughtful design. Hestan's team has also worked with America's greatest chefs to reinvent the commercial kitchen.

HESTAN VINEYARDS

Hestan's limited-release wines offer an award-winning and distinct taste of the Napa Valley.

HESTAN COMMERCIAL

Hestan is reinventing the restaurant kitchen with award-winning innovation and American-made durability.

HESTAN INDOOR

Hestan delivers chef-proven performance to the home with unrivaled power, exceptional control and thoughtful technology.

HESTAN OUTDOOR

Built in California from superior-grade materials, Hestan Outdoor introduces a new level of performance to the backyard.

HESTAN COOKWARE

Handcrafted in Italy to the highest standards of fit and finish, Hestan Cookware delivers revolutionary performance and lasting beauty.

HESTAN SMART COOKING

Hestan Cue helps you become a better cook with smart cookware, induction cooktop and recipe app working in unison.
